Hours of Operation:

M – Th: 8:30am – 3:20pm
Fri: 8:30am – 12:00pm

Attitude Creates Excellence

Horizon Alternative Junior High (HAJH) is an alternative learning centre committed to providing individuals the opportunity to take ownership of their education. We encourage flexibility and self-discipline as the keys to becoming responsible members of our community.

Our junior high program offers those younger students, who don't fit into the regular classroom, an opportunity to complete their education. Although not as structured as a regular school, there are still high expectations for regular attendance and completion of assignments.

WHEN:

Monday to Friday

WHERE:

ACE Place
