

ADMISSIONS PROCEDURE

Considerations for admission:

1. Submit this **completed** application form.
2. Individual circumstance and need.
3. Ability to succeed in an independent/self-directed learning environment.

It is understood:

1. That the major responsibility for learning is the students, and that they will abide by the conditions of their learning contract.
2. That the students will attend with the intent of furthering their education. When on the premises they are expected to be working productively. Visiting between registered students is allowed, provided that there is evidence of academic progress, but loitering or inviting non-students will not be tolerated.
3. That it is the students' responsibility to seek help with concepts not understood and look over marked units.
4. That the student must complete and pass (50% or higher) each unit before writing the final exam.
5. That students' will follow the rules of ACE and comply with the staff of ACE.
6. That the students will respect the rights, dignity and property of others.
